## Officers

## History

First Baptist Church of Highland Park Drama Ministry was established in May 1995 for the purpose of presenting stage play productions. This Ministry has presented a number of skits in support of programs and services sponsored by other ministries at FBCHP. On one occasion the Drama Ministry had the distinct honor of presenting a dinner-theatre play at the Hyatt Regency Hotel in support of the Trustee's Ministry of Faith Temple #2, Bishop L.N. Forbes Founder and Pastor. For several years this Ministry represented FBCHP in Baltimore, MD in performances sponsored by the Women's Auxiliary of Progressive Baptist Church of Maryland along with five to seven other churches where it was each church's responsibility to select a woman from the Bible and present that woman via skit. Additionally, the Drama Ministry presented a Mother's Day performance. This Ministry presented a play at Revival Temple Church in Washington, D.C. for their youth.
